The Honorable Mayor
Members of the Village Council
Village of Downers Grove, Illinois

In planning and performing our audit of the financial statements of the Village of Downers Grove (the Village), Illinois, for the year ended December 31, 2023, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

We do not intend to imply that our audit failed to disclose commendable aspects of your system and structure. For your consideration, we herein submit our comments and suggestions which are designed to assist in effecting improvements in internal controls and procedures. Those less-significant matters, if any, which arose during the course of the audit, were reviewed with management as the audit field work progressed.

The accompanying comments and recommendations are intended solely for the information and use of the Board, management, and others within the Village of Downers Grove, Illinois.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various Village personnel. We would be pleased to discuss our comments and suggestions in further detail with you at your convenience, to perform any additional study of these matters, or to review the procedures necessary to bring about desirable changes.

We commend the finance department for the well prepared audit package and we appreciate the courtesy and assistance given to us by the entire Village staff.

CURRENT RECOMMENDATIONS

1. GASB STATEMENT NO. 100 ACCOUNTING CHANGES AND ERROR CORRECTIONS

Comment

In June 2022, the Governmental Accounting Standards Board (GASB) issued Statement No. 100, *Accounting Changes and Error Corrections*, which establishes accounting and financial reporting requirements for (a) accounting changes, and (b) the correction of an error in previously issued financial statements (error correction). Accounting changes are (a) changes in accounting principle, (b) changes in accounting estimates, or (c) changes to or within the financial reporting entity. Error corrections are (a) errors from mathematical mistakes, mistakes in the application of accounting principles, or oversight or misuse of facts that existed at the time the financial statements were issued, or (b) a change from (i) applying an accounting principle that is not generally accepted to transactions or other events that previously were significant to (ii) applying a generally accepted accounting principle to those transactions or other events is an error correction. GASB Statement No. 100 requires that (a) changes in accounting principal and error corrections are reported retroactively, (b) changes in accounting estimates are reported prospectively, and (c) changes to or within the financial reporting entity should be reported by adjusting the current reporting period's beginning net position, fund balance, or fund net position, as applicable, for the effect of the change as if the change occurred as of the beginning of the reporting period. GASB Statement No. 100, *Accounting Changes and Error Corrections* is applicable to the Village's financial statements for the year ended December 31, 2024.

Recommendation

Lauterbach & Amen, LLP will work directly with the Village to review any accounting changes or error corrections to determine the appropriate financial reporting for these activities under GASB Statement No. 100.

Management Response

Management acknowledges this comment and, if applicable, will work to implement it when required by GASB.

CURRENT RECOMMENDATIONS - Continued

2. GASB STATEMENT NO. 101 COMPENSATED ABSENCES

Comment

In June 2022, the Governmental Accounting Standards Board (GASB) issued Statement No. 101, *Compensated Absences*, which establishes standards of accounting and financial reporting for (a) compensated absences, and (b) associated salary-related payments, including certain defined contribution pensions and defined contribution other post-employment benefits (OPEB). The statement requires that a liability should be recognized for any type of leave that has not been used at year-end if (a) The leave is attributable to services already rendered, (b) the leave accumulates, and (c) the leave is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means. Examples of leave that should be reviewed, and potentially measured under GASB Statement No. 101 are vacation leave, paid time off leave, holiday leave, and sick leave. Examples of leave that are excluded from GASB Statement No. 101 are parental leave, military leave, and jury duty leave. GASB Statement No. 101, *Compensated Absences* is applicable to the Village's financial statements for the year ended December 31, 2024.

Recommendation

Lauterbach & Amen, LLP will work directly with the Village to review the new compensated absences and associated salary-related payments, including certain defined contribution pensions and defined contribution other post-employment benefits criteria to determine the appropriate financial reporting for these activities under GASB Statement No. 101.

Management Response

Management acknowledges this comment and, if applicable, will work to implement it when required by GASB.
